

Graduate School Scholarship

\$2,500

This award provides recognition from
AFT MEMBERS
for outstanding academic achievement and
encourages post-graduate scholarship.

What is the American Federation of Teachers?

The AFT is a labor union which represents over one million workers in education, healthcare and public service nationwide.

At Ramapo over 400 of our faculty, professional staff and librarians have chosen to support their union with membership.

Those union members make this scholarship possible.
